

BUILD YOUR DREAM ENTERPRISE

CHAPTER 12 CASE SCENARIO

Have you ever wanted to start your own business? This project is a continuation of Build Your Dream Enterprise Chapter 9 in which you created a new service company

LLC. Initial decisions were made regarding your new enterprise. In this assignment, you will create a budget and tax reports.

TASK 1

OPTION 1

You can complete this project individually (Option 1A) or in teams (Option 1B). Ask your instructor whether you should use Option 1A or Option 1B to complete this project.

Select the option below that you will use:

- **Option 1A:** Complete Build Your Dream Enterprise Chapter 12 *individually*.
- **Option 1B:** Complete Build Your Dream Enterprise Chapter 12 in *teams*.

TASK 2

TEAM INSTRUCTIONS

If you are using teams (Option 1B), complete the following steps. (If you are completing the project individually (Option 1A), skip this task and proceed to Task 3.)

- 1. Form four-member teams.**
- 2. Assign the following roles to team members:**
 - **Recorder:** Records information about team discussions and decisions.
 - **Task Master:** Keeps the team on task and focused. Watches time to insure that tasks are completed on time.
 - **Facilitator:** Facilitates the inclusion of all team members. Acts as leader when necessary.
 - **Runner:** Obtains information, asks instructor questions, and so on.
- 3. Complete each of the following tasks as a team.**

TASK 3

DECISIONS

Create budget data for your company for the year 2014.

If you are working in teams, make the decisions by reaching a team consensus.

Budget Item	Amount	% Increase
Sales:		
_____	\$ _____	_____ %
_____	\$ _____	_____ %
Expenses:		
_____	\$ _____	_____ %
_____	\$ _____	_____ %
_____	\$ _____	_____ %
_____	\$ _____	_____ %
_____	\$ _____	_____ %
_____	\$ _____	_____ %
_____	\$ _____	_____ %
_____	\$ _____	_____ %

TASK 4

OPTION 2

Next, assume the role of the accounting professional using QuickBooks to maintain the accounting records for the new enterprise. Ask your instructor whether you should use Option 2A or Option 2B.

Select your option below:

- **Option 2A:** Prepare QuickBooks accounting records for the company you created. You will be recording the transactions that you prepared for this project.
- **Option 2B:** Exchange your company information with another individual (or team) in the class. Prepare QuickBooks accounting records for the other individual's (team's) company. That individual (team) will prepare QuickBooks accounting records for your company.

TASK 5
